

Walking In God's Slipstream

Scripture – Exodus 23:20-33

God prepared a land for the people of Israel that He wanted them to inherit. Likewise He has prepared good works for us to walk into. Whatever your call and place in the Kingdom is, he has prepared a way for you to see it come true. Experiencing the slipstream of God is the answer.

I. WALKING IN HIS FOOTSTEPS

"...into the place which I have prepared for you (v.20)

Eph 2:8-10 *"good works prepared beforehand"*

II. INCREASING IN HIS POWER

"...until you have increased (v.30)

James 4:6-8 *"God resists the proud but gives grace to the humble..."*

Slipstream: *"An area of reduced air pressure and forward suction that is directly behind and caused by a rapidly moving vehicle"*

III. COMMITTING TO HIS COVENANT

"...make no covenant with them nor with... (v.32)

Do not lose what you have received. Establish and remain in your freedom by constantly embracing and loving Him and loving His Word, and the Grace of our

Lord Jesus Christ will manifest sweeter and stronger by the day. You will see God's plans for your life fulfilled.
